The 11th Annual Par Fore the Course is a relatively short, two-part competition that rewards a skier's improvement over the course of the season. The first race is in December and the second race is in late February.

These freestyle races are a short, self-paced, individual start and a great opportunity for "novice" skiers to try their luck with racing. If you've never raced before, this would be a great chance to jump in and give racing a try!

Following the second Par Fore the Course race on February 26th, prizes will be awarded for most improved against the handicap, most improved in class, overall class champion and fastest times.

The Par Fore the Course is a tribute to area skier Sharon Nofziger who died in Nov. 2000 of an aneurysm while skiing. The race takes place on "Zig-Zag", Sharon's favorite Mt. Bachelor trail.

Come join us in remembering a special person who gave so much to the sport of Nordic skiing.
