

Phoenix Inn Par Fore the Course 1 & 2

Course and Race Information

J3, J4, J5 skiers all ski three laps of a 1K loop.

J2 boys and all women will ski 1 big loop.

J1 boy and all senior and master men do 2 loops.

The start is 1 skier every 30 seconds.

Know your start time.

It is the skier's responsibility to count laps and to pass through the lap track and finish track properly.

Results will be posted in the lodge at Mt. Bachelor and at MBSEF.org following the race.

The race trail will be open to racers and all Mt. Bachelors guests. Mt. Bachelor and the MBSEF volunteers will try to guide non-racers away from the race trails. However if racers come upon a non-racer please politely ski around them. It's generally easier for racers to go around non-racers than for non-racers to move out of the way.
